- Frogan Reacting to Content Nuke: Hasan Piker

### INTRODUCTION

1. This lawsuit is about ending the practice of lazy reaction videos that
copy entire copyrighted works and purposefully siphon views and revenue away
from the original. Over seven years ago, the owners of Plaintiff Ted Entertainment,
Inc. ("TEI") – Ethan and Hila Klein – established the legal standard for fair use
reaction videos in <i>Hosseinzadeh v. Klein</i> , 276 F.Supp.3d 34 (S.D.N.Y. 2017). As a
genre, reaction videos "vary widely in terms of purpose, structure, and the extent to
which they rely on potentially copyrighted material." Reaction videos, "like the
Klein video" that "intersperse <i>short</i> segments of another's work with criticism and
commentary," constitute fair use. In contrast, reaction videos that are "more akin to
a group viewing session" do not. Id., at 40 fn.1, 45-47 (emphasis added).

- 2. This case involves a "group viewing session" hosted by Defendant Morgan Kamal Majed p/k/a Frogan ("Frogan"). Frogan specifically intended her "group viewing session" to siphon the maximum number of views and revenue away from TEI's copyrighted work *Content Nuke: Hasan Piker* ("*The Nuke*") to herself. Frogan successfully achieved her objective by releasing her "group viewing session" of *The Nuke* immediately after its official release and showing it in its entirety. Frogan greatly profited from her "group viewing session" of *The Nuke* through advertising revenue, donations and paid subscriptions.
- 3. The moderators of the H3Snark subreddit (the "H3Snark Mods") knew that Frogan's "group viewing session" would serve as a substitute for watching *The Nuke* on TEI's YouTube channel. As such, the H3Snark Mods successfully promoted Frogan's "group viewing session" on the H3Snark subreddit ("H3Snark") as a substitute for watching *The Nuke* on TEI's YouTube channel.
- 4. Like most lazy reaction videos, Frogan's "group viewing session" of *The Nuke* suffers from a poverty of critical commentary.
- <sup>1</sup> The Kleins' video from *Hosseinzadeh* was entitled *The Big, The BOLD, The Beautiful* and is available here: <a href="https://youtu.be/CXUs5FOo-JE?si=74MWM26Wn26KmO40">https://youtu.be/CXUs5FOo-JE?si=74MWM26Wn26KmO40</a>

COMPLAINT

9. TEI is a California corporation with its principal place of business located in Los Angeles County, CA. TEI is a production company that produces content for social media, namely YouTube.

- 10. Frogan is an online streamer who releases content on social media platforms, namely Twitch, and resides in Los Angeles, California.
- 11. The H3Snark Mods are comprised of Does Nos. 1-10. The true names and exact location of Does Nos. 1-10 are presently unknown to TEI, which therefore sues said Doe defendants by such fictitious names, and will seek leave to amend this Complaint to show their true names and exact locations when the same have been ascertained. Below is a summary of what is known about Does Nos. 1-6.
- a. Doe No. 1 is female, the founder of H3Snark and one of the H3Snark Mods. She previously used the Reddit username "u/ozempicdealer" which Doe No. 1 subsequently deleted. Her last post using this handle was on February 12, 2025. Doe No. 1 also uses the Discord handle "yoggiebearx" and the screen name "parishilton."
- b. Doe No. 2 is female, resides in Canada and is the head moderator of the H3Snark Mods. Doe No. 2 currently uses the following Reddit usernames: (1) u/h3snarkmodteam2; (2) u/RomanPeee; and (3) u/Right\_Salamander (currently idle). Previously, Doe No. 2 used the following Reddit usernames which were either deleted by Doe No. 2 or suspended by Reddit for violating its Content Policy: (1) u/kavkav2 (deleted); (2) u/h3snarkmodteam3 (deleted); (3) u/Wrong\_Salamanderr (deleted); (4) u/Right\_Salamanderr (suspended); (5) u/PurePress (suspended); and (6) u/KitchenMukbangStar (deleted). On Discord, Doe No. 2 uses the screen names "Sally" and "allitern."
- c. Doe No. 3 began as a user of H3Snark and was subsequently made an H3Snark Mod. Initially, Doe No. 3 used the Reddit username

commentary, ultimately using three minutes and fifteen seconds of the five minute, twenty-four second long Hoss video. The Klein video is harshly critical of the Hoss video, and includes mockery of [Matt Hoss'] performance and what the [Kleins] consider unrealistic dialog and plotlines. In addition, defendants' commentary refers to the Hoss video as quasi-pornographic and reminiscent of a "Cringetube" genre of YouTube video known for "cringe"-worthy sexual content. As critical as it is, the Klein video is roughly equivalent to the kind of commentary and criticism of a creative work that might occur in a film studies class.

Hosseinzadeh, 276 F.Supp.3d at 40 (footnote and internal citations omitted).

- 14. On August 23, 2017, the Court granted summary judgment for the Kleins on all of Matt Hoss claims. *Hosseinzadeh*, 276 F.Supp.3d at 45-48. For the copyright infringement claim, the Court found the Klein video made a fair use of the Hoss video.
- 15. In 2017, TEI established *The H3 Podcast* channel on YouTube. On the new channel, TEI produced podcast episodes that were less structured than the reaction videos the Kleins previously made. To ensure any use of unlicensed copyrighted content qualified as fair use, TEI formulated and refined best practices based on the principles from *Hosseinzadeh*, which included: (1) whenever feasible, prescreening the original work and outlining the criticism and commentary before the broadcast; (2) ensuring the commentary was directly related to the style and/or substance of the original work; (3) only broadcasting the portion of the original work that would be subject to critique; (4) pausing the original work frequently to provide critique; and (5) ensuring that the duration of commentary was substantially longer than the portion of the original work show immediately before the commentary.

16. Frogan began streaming in June 2019 and on a more regular basis in August 2021. Frogan's career peaked in August 2022 when she averaged 738 viewers a stream. Ever since, Frogan has steadily lost popularity. In January 2025 (*i.e.*, the month of Frogan's "group viewing session" of *The Nuke*), Frogan

averaged 160 viewers a stream.<sup>3</sup>

Frogan holds herself out as an expert. The area of her expertise, 17. however, has yet to reveal itself. She claims to be a "public health expert," yet, Frogan admits her academic and professional career in public health was stunted by her lack of self-discipline. According to Frogan, her academic advisor conducted an intervention to ensure she would complete her master's degree. Frogan also admitted to abandoning her brief career in public health after her "boss wanted to discuss [her] performance with the manager of [her] department."<sup>5</sup>

- Frogan frequently portrays herself as a victim, particularly to cast 18. herself as a Muslim woman persecuted by "Zionists." The inconsistencies in her evolving narratives, however, reveal that she is not a victim at the hand of others – but her own. The following examples illustrate this pattern:
- The Professor who Failed Her: On August 7, 2016, Frogan a. posted on X that her "professor made [her] write about the Arab Israeli conflict and gave [her] a  $\underline{\mathbf{D}}$  on the *paper*" when she was "the only hijabi in the class." Nearly a year later, the story changed to make the professor seem worse. On June 10, 2017, Frogan posted on X that her professor gave her an "F" because what she "said about Israel was 'wrong.'" Several years later, the story mutated further to make the professor seem divorced from reality. On May 8, 2021, Frogan posted on X that her "professor assigned" her, "the only Arab in the class, to do a *project* about the Arab/Israeli conflict and failed [her] when [she] talked about *how Palestine is* occupied by Israel."8 In this instance, Frogan provided a screenshot summarizing two slides from this "paper" or "project" – one of which contains a glaring

Several years later, Frogan's story about her therapist mutated. On February 29, 2024, Frogan posted on X about her "bad experience with a Zionist therapist."<sup>14</sup> (added emphasis). When Ethan responded that Frogan was using "Zionist" as a dog-whistle for Jews (which was clearly the case), Frogan made another post that that painted the therapist as absurdly rabid and unethical.<sup>15</sup> Below is a true and correct screenshot of the post.

a. At 2:28 a.m. PST/5:28 a.m. EST on October 7th (*i.e.*, when Jews and Israelis were gripped by panic and fear for their loved ones), Frogan posted on X: "leftists preach and foam at the mouth at the thought of a revolution happening in america [sic], but as soon as it happens in the middle east what they're doing is wrong." Due to the insensitivity and timing of the post, Ethan decided to quietly unfollow Frogan.

b. Shortly thereafter, Frogan liked a post on X by Aleksa Vulović p/k/a Boy Boy that was posted on October 7th, which stated: "It's game over for Israel, James Bond is officially fighting for Hamas." Below is a true and correct screenshot of the post.

20. Frogan serves as one of the moderators of Hasan's chat. Far from being neutral arbiter, Frogan weaponizes her role as Hasan's enforcer to ruthlessly silence dissent and cruelly target her enemies – while elevating those who excuse and justify terror and violence. For example, on November 9, 2023 (*i.e.*, after Frogan created a public controversy over Ethan unfollowing her), Hasan and Ethan discussed the Israel/Palestine conflict. Hasan's chat was replete with hateful and bigoted comments about Ethan, which Frogan refused to moderate out of vindictiveness towards Ethan.<sup>19</sup>

### **Background of H3Snark**

- 21. H3Snark is part of a genre of message boards known as subreddits on the website, Reddit. Snark subreddits comprise of "fallen fans" of a particular entertainer. Over time, there have been numerous snark subreddits regarding TEI's podcasts and of the Kleins. Many were banned by Reddit for violating its Content Policy such as r/Frenemies and r/Frenemies2.
- 22. H3Snark was created on August 30, 2023 by Doe No. 1 who was a fanatical Trisha Paytas ("Trisha") fan. Doe No. 1 became a "fallen fan" when the TEI series, *Frenemies* (which was co-hosted by Ethan and Trisha), ended abruptly in June 2021.
- 23. H3Snark became a haven for "fallen fans" of TEI's podcasts and the Kleins. While the average viewer would move on with their lives after becoming disinterested in a podcast, H3Snark "fallen fans" religiously watch TEI produced content with orgiastic hatred. H3Snark enables these deranged and chronically unemployed fallen fans to share their perverse pleasure of hate-watching TEI content with others by providing infringing clips and links to TEI content.
- 24. Beginning in the fall of 2023, H3Snark experienced a surge of new users who were "fallen fans" of the TEI series, *Leftovers*. As mentioned, the show <sup>19</sup> HasanAbi VODs, *HasanAbi November 9, 2023 Israel Palestine, Debating Ethan H3H3 on Israel, 3rd GOP Debate* (Nov. 10, 2023), at 4:11:44-4:57:39, *available at*: https://youtu.be/4y7v0ewLFOQ?si=x71\_2gsDqgXxI8GW&t=15104

27. On October 12, 2023, the last episode of *Leftovers* aired. It comprised of a discussion between Ethan and Hasan regarding the Israel/Palestinian conflict and the events of October 7th.<sup>28</sup> During the discussion, Ethan expressed his support of the Palestinian cause and empathy for their suffering, along with condemning Israeli Prime Minister Benyamin Netanyahu. At the same time, Ethan attempted to humanize the victims of October 7th to Hasan in the hope that empathy and mutual understanding could begin the heal the divide. Hasan was unpersuaded and the relationship with Ethan and Hasan began to deteriorate.

28. In the aftermath of the falling out between Ethan and Hasan, H3Snark became a radioactive hub of "fallen fans" of TEI content and the Kleins. It became a focal point for spreading vicious lies, outlandish conspiracy theories and hallucinatory misrepresentations about the Kleins.

# The Rampant Copyright Infringement on H3Snark

- 29. Despite their hatred towards the Kleins, the users of H3Snark had an insatiable appetite for TEI's content. The H3Snark users, however, did not want TEI to receive any views or advertising revenue from their consumption of TEI's content. As a result, H3Snark became a locus of copyright infringement of TEI content as detailed below.
- 30. One method the H3Snark Mods employed to consume TEI content was to share links of TEI content on YewTube a website that provides unauthorized access to YouTube videos and publicly performs them, which constitutes copyright infringement. *See Hunley v. Instagram, LLC, 73 F.4th 1060, 1073-74 (9th Cir. 2023)*. YewTube had particular appeal to H3Snark Mods and H3Snark users because a video watched on YewTube does not result in a view or advertising revenue to the original on YouTube.

<sup>&</sup>lt;sup>28</sup> H3 Podcast, "Israel vs Gaza – Leftovers #61" (October 12, 2023), *available at*: <a href="https://www.youtube.com/live/JFznOHunD\_c?si=Cbfod032xwJ5e-FQ">https://www.youtube.com/live/JFznOHunD\_c?si=Cbfod032xwJ5e-FQ</a>

H3Snark Mods conducted live chats during TEI's live broadcasts. 31. During the live chats, the H3Snark Mods would spam the chat with YewTube links of the broadcast. Once the livestream ended, the H3Snark Mods concealed the evidence of their copyright infringement by deleting the live chat logs. Below are true and correct screenshots of the H3Snark mods spamming the live chat with YewTube links to TEI copyrighted content.

32. Through various comments to posts, Doe No. 3 (*i.e.*, u/sarahornejewetts) encouraged H3Snark users to use YewTube as an alternative to watching the TEI's video on its official channel. Doe No. 3's comments were later wiped. Due to Doe No. 3's efforts, the user was anointed as one of the H3Snark Mods. Some examples are contained below.

a. In August 2024, the u/PearlUnicorn created the post: "For those who wonder why Snarkers watch, moments like the second button failure." Below

b. On August 28, 2024, the H3Snark Moderators created a post entitled "MEGATHREAD: The H3 Show – Aug 28 2024." Below is a true and correct screenshot of Doe No. 3 providing a link to the TEI video <u>Content Court:</u>

<sup>29</sup> While Doe No. 3's post just contained a hyperlink labeled "Watch on Yewtube," the link would direct users to https://yewtu.be/watch?v=DCw4csgcEsk.

33. Under the H3Snark wiki page for "tools-tips-guides," H3Snark Mods also instructed H3Snark users on how to create clips of TEI content so these clips could be posted on H3Snark. At one point, the H3Snark Mods even instructed users how to download "Members-Only" content (*i.e.*, TEI content only accessible to paying members) so that they could be posted on H3Snark. To hide their inducement of copyright infringement, the H3Snark Mods deleted the portion on downloading "Members-Only" content from the guide. A true and correct screenshot of the portion regarding "Members-Only" content is provided below.

## TEI Issues Takedown Notices for Infringing Posts and Comments on H3Snark

- 34. TEI began to fight back against the copyright infringement on H3Snark by issuing takedown notices pursuant to 17 U.S.C. Section 512(c)(3) ("DMCA Takedowns"). TEI was extremely surgical about which H3Snark posts would be subject to DMCA Takedowns. Relying on the most pertinent fair use decisions, <sup>30</sup> TEI issued DMCA Takedowns only for: (1) posts/comments that uploaded an entire TEI episode onto Reddit particularly paywalled TEI content; (2) comments that provided a YewTube link to entire episodes of TEI content; or (3) posts that contained a clip of TEI content with a descriptive, non-critical title and the comments were locked by the H3Snark Mods or there were no comments after several hours.
- a. August 1, 2024 DMCA Takedown: On August 1, 2024, TEI issued a DMCA Takedown for the H3Snark post entitled "H3 Live Show Behind the Scenes." The post contained a complete version of TEI's video *H3 Podcast BTS* #53 which was "Members Only" content (*i.e.*, accessible only to paying members of *The H3 Podcast* YouTube channel). On August 2, 2024 (*i.e.* one day later), Reddit honored this DMCA Takedown.
- b. <u>August 30, 2024 DMCA Takedown</u>: On August 30, 2024, TEI issued a DMCA Takedown for a comment by Doe No. 3 (*i.e.*, u/sarahornejewetts) on the H3Snark Post entitled "<u>MEGATHREAD</u>: The H3 Show Aug 28, 2024" (the "8/30/24 Takedown"). The comment contained a YewTube link to the TEI video *Content Court: Jack Doherty H3 Show #48*.<sup>31</sup> On September 9, 2024 (*i.e.*, nine days later), Reddit honored the 8/30/24 Takedown.

b. Additionally, on March 18, 2025 (the same day Reddit informed TEI that the First Fraudulent Counternotification was invalid), Reddit notified TEI that another counternotification was issued regarding the 9/18/24 Takedown (the "Second Fraudulent Counternotification").<sup>34</sup> The Second Fraudulent Counternotification was issued on December 5, 2024 (*i.e.*, Reddit notified TEI three and a half months later).

i. The Second Fraudulent Counternotification contained no indicia that the issuer considered the four fair use factors prior to issuing the Second Fraudulent Counternotification – which is unlawful. *See Hosseinzadeh*, 276 F.Supp.3d at 36; *Hughes*, 437 F.Supp.3d at 394-395; *cf Lenz v. Universal Music Group*, 815 F.2d 1145, 1149, 1154-55 (9th Cir. 2016). Further, the language of the Second Fraudulent Counternotification demonstrated the issuer – u/obrienpotatoes – did not understand fair use in general, by stating: (1) "This was an abuse of the fair use system" (which is bizarre because u/obrienpotatoes was claiming fair use, not TEI); and (2) the conclusory assertion "Even so, it would still be allowed under fair use" without any analysis. This is further emphasized by an April 11, 2025 post on X by @obrienpotatoes1. In the post, @obrienpotatoes posted the cease and desist letter sent by TEI's counsel and defended the Reddit post by claiming it was only "A MINUTE AND A HALF LONG CLIP" – *i.e.*, only focusing on the amount used and not the other fair use factors.<sup>35</sup>

ii. The Second Fraudulent Counternotification also echoed language similar to the First Fraudulent Counternotification – indicating the H3Snark Mods worked with u/obrienpotatoes to issue the Second Fraudulent Counternotification: "This subreddit has also been mercy to many *bad faith brigades* recently, so *I do not believe this appeal was filed by the actual copyright owner*" (emphasis added) – despite the 9/18/24 Takedown containing TEI's <sup>34</sup> A true and correct copy of the Second Fraudulent Counternotification is attached hereto as Exhibit C.

iii. Additionally, after the Second 11/26/24 Takedown was issued, one of the H3Snark Mods (who later deleted their account) left a comment on the post stating: "I reached out via DM to discuss how to appeal these, if you're willing to fill out the form." This further emphasizes the H3Snark Mods coordinated a campaign of issuing fraudulent counternotifications to enable H3Snark's copyright infringement of TEI's works.

- c. The H3Snark Mods went on a public relations campaign to paint TEI's DMCA Takedowns as fraudulent to cover up their copyright infringement. To achieve this objective, the H3Snark Mods authored several posts misrepresenting the facts.<sup>36</sup>
- d. After Ethan became vocal about pursuing claims against H3Snark, the H3Snark Mods began deleting their posts, comments and accounts *en masse* to perpetuate their false narrative and conceal their copyright infringement (along with other illegal activity, such as organized harassment and defamation).
- e. On March 5, 2025, a YouTuber by the name of "The Law" posted a video on YouTube entitled *Dear H3Snark, I see you.*<sup>37</sup> In the video, The Law admits he was a former H3Snark user who came to reject the obsessive and destructive behavior he saw taking over the subreddit. He documented the acts of copyright infringement by H3Snark users and H3Snark Mods (and other unlawful conduct), including their attempts to conceal their unlawful conduct. - i. The H3Snark Mods deleted posts after Ethan announced plans to pursue legal action against H3Snark for harassment (1:18-1:41);
- ii. How the H3Snark Mods abused the live chat feature on Reddit to promote harassment and defamatory statements, including promoting some of the egregious offenders into H3Snark Mods (2:02-4:54);
- iii. How the H3Snark Mods use "sock puppet accounts" (*i.e.*, using a false online identity for deceptive purposes) to conceal their identities while engaging in harassment which were deleted after Ethan announced he would pursue legal action against H3Snark (4:55-6:51); and
- iv. How the H3Snark Mods purposefully lied about TEI's DMCA Takedowns to conceal their copyright infringement and obfuscate their intent to siphon views and ad revenue away from TEI (6:52-9:11).

## TEI Creates and Registers *The Nuke*

- 36. By the fall of 2024, Ethan and Hila Klein's concern reached a fever pitch over Hasan radicalizing his audience with propaganda from Ansar Allah a/k/a The Houthis, Hezbollah and Hamas. The Kleins were equally concerned with Twitch's refusal to enforce its Community Guidelines against Hasan and his so-called "Waiting Room" -i.e., other Twitch streamers, like Frogan, who parrot Hasan and parasitically leach off his audience by broadcasting immediately before or after his streams.
- 37. Hasan and his Waiting Room hijacked the necessary and important discussion of the Israeli-Palestinian conflict and the Gaza War. They employed genocidal rhetoric that painted all Israelis as subhuman warranting annihilation. The term "Zionist" lost all meaning and quickly mutated into a thinly-veiled dog whistle for Jews. To combat the tsunami of hateful rhetoric, Ethan and Hila Klein The term "Zionist" was used as a slur to paint anyone who supported the existence of Israel or a two-state solution as a Kahanist (Jewish Supremacist) or (continued).

through TEI – created *Content Nuke: Hasan Piker*. 38. The Nuke was written, shot and edited from December 2024 through 2 January 2025. On January 27, 2024 (i.e., four days before the Nuke was publicly 3 4 released on TEI's h3h3Productions YouTube channel), TEI submitted its 5 application to register *The Nuke* with the United States Copyright Office (the 6 "USCO"). On January 28, 2025, the USCO received the deposit copy of the Nuke (the "Deposit Copy"). The registration number for *The Nuke* is PAu 4-256-429. 7 39. The Deposit Copy varied slightly from the broadcast version of *The* 8 9 *Nuke* (the "Broadcast Version"). First, the Deposit Copy did not contain the conclusion and sponsor segment that was contained in the Broadcast Version. 10 11 Second, to prevent *The Nuke* from being age-restricted by YouTube (which would limit its reach), TEI was required to fully blur out the footage of the Houthis 12 entering the bridge of the *Galaxy Leader* and black out the footage of Hamas 13 releasing hostages from November 2023. Third, minor visual edits were made. 14 Ultimately, all of the Deposit Copy was incorporated into the broadcast version of 15 the Nuke comprised of the Deposit Copy.<sup>39</sup> 16 17 The Nuke Israeli Religious Nationalist. - 40. *The Nuke* is a tragi-comic documentary critiquing Hasan and Twitch. It contains original footage, highly edited montages, parodic skits and archival materials (a great deal of which are owned by TEI). *The Nuke* can be divided into seven sections: (1) The Prologue; (2) The Twitch Parody Sketch; (3) The Houthi Section; (4) The Hezbollah Section; (5) The Hamas Section; (6) The Twitch Section; and (7) The Conclusion.
- a. The Prologue (Ex. E at 0:00:00-0:25:40): The prologue walks the audience through Ethan's thesis of *The Nuke*: that Hasan radicalizes his audience with genocidal and antisemitic terrorist propaganda.
- i. While admitting both of himself and Hasan are polarizing figures with controversial takes, Ethan explains he grew concerned with Hasan's rhetoric after hearing him excuse Russian and Chinese genocide and imperialism, namely Hasan's positions on Crimea, Tibet, Taiwan and the Uyghurs.
- ii. Once October 7th occurred, Ethan's concerns were exacerbated. He received a torrent of antisemitic comments from Hasan's audience and saw Hasan downplay the sexual violence perpetrated by Hamas on October 7th.
- iii. Ethan explains that the primary difference of opinion between him and Hasan (and his audience). While both are aligned on supporting the Palestinian cause including condemning Israeli Prime Minister Benyamin Netanyahu, Israeli settlements and Israeli settlers, they differ in one key aspect regarding how to solve the conflict: Ethan believes in a two-state solution, while Hasan (and his audience) believe in a one-state solution.
- iv. Ethan articulates the concerns Israelis have with a one-state solution: Israel has been at war with its Arab neighbors since the country's inception. As a nation of refugees, the idea of suddenly becoming a minority raises legitimate concerns particularly for the Mizrahi Jews (*i.e.*, Jews from Arab countries) who were expelled from Arab countries.
  - v. Ethan then shows archival footage of Hasan: (1)

purpose. Despite this, Twitch refuses to enforce its Community Guidelines against Hasan. Hasan downplays the fact that the Houthi propaganda video is terrorist propaganda to Nick by describing the video as merely a "musical" and the Houthis as "musical people." When Hasan mischaracterizes the hijacking of the ship the *Galaxy Leader* as an effective deterrent against Israel, Ethan debunks Hasan's assertions that the ship was in Houthi waters, destined to Israel or an Israeli ship. Ethan also excoriates Hasan for minimizing the Houthis taking the crew of the *Galaxy Leader* hostage.

- iii. Ethan also critiques Hasan's misguided belief that, if Israeli commerce is disrupted, Israelis will leave Israel. Ethan demonstrates 80% of Israelis were born in the country and have nowhere else to go. This is exacerbated by the fact that the majority of Jewish Israelis fled (or are descendants from those who fled) Arab countries. The argument that Jews will "return where they came from" is ahistorical and denies their connection of Jews to the Middle East. Rather, it furthers an antisemitic conspiracy theory that questions the origins of the Jews in an attempt to brand Jewish Israelis as outsiders and colonizers.
- iv. Ethan shows another example of Hasan watching and praising a different Houthi propaganda music video. To mock Hasan's laudatory coverage of this video, Ethan juxtaposes the Houthi music video with a highly edited version of the Miami Boys Jewish Choir singing "Yerushalim."
- v. Ethan lambasts Hasan's interview of the Houthi terrorist Rashid Al-Haddad a/k/a Tim "Houthi" Chalamet ("Al-Haddad"). Al-Haddad became a viral sensation on TikTok when he shot footage of himself boarding the *Galaxy Leader*. Ethan mocks Hasan's self-described "journalism" through a montage of Hasan acting like a fan girl, asking frivolous questions and blindly accepting Al-Haddad's answers particularly his absurd claim that he danced with the crew taken hostage and that he successfully convinced the crew to hate Israel.
  - vi. Ethan exposes Hasan's subsequent attempts to downplay

because "they were just there." Ethan refutes these assertions by demonstrating Hezbollah began firing rockets at Israel the day after October 7th, killed over 100 Israelis and displaced over 200,000. Ethan questions how Hasan's falsehoods help his position when, in reality, Hasan's misrepresentations only exacerbate the conflict.

- e. <u>The Hamas Section (Ex. E at 1:01:44-1:11:50)</u>: The Hamas Section focuses on Hasan radicalizing his audience by disseminating and glorifying Hamas propaganda, coupled with denying the atrocities of October 7th.
- i. Ethan begins by highlighting some of Hamas' atrocities and how they contradict leftist values. Examples include recruiting children, committing hundreds of suicide bombings that target civilians, firing 50,000 rockets into civilian areas, oppression of women, punishing homosexuality by death, stealing aid intended for Gazans for its own military use or exploiting Gazans by selling the aid back to them.
- ii. Next, Ethan critiques Hasan's reaction to a Hamas propaganda video from November 2023 involving the release of hostages. Hasan gushes effusively over Hamas' treatment of the hostages. He even makes the absurd claim that hostages released in the future will chose to stay in Gaza rather than return to Israel. When a member of Hasan's audience points out the hostages are traumatized, Hasan claims the hostages are "just chillin." Ethan correctly points out that these scenes are staged by Hamas, that the hostages are still being held at gunpoint and provided instructions on how to behave, such as "keep waving."
- iii. Ethan goes on to lambast Hasan's reaction to a Hamas propaganda video depicting Hamas creating homemade sniper rifles. Hasan plays the entire clip without any commentary or criticism. Once complete, Hasan's explanation for showing the video is a nonsensical word salad of buzzwords that have nothing to do with the contents of the video.
  - iv. Ethan goes on to address Hasan's grotesque denial of

sexual violence perpetrated by Hamas on October 7th. He shows a montage of numerous clips of Hasan explicitly denying the sexual violence of October 7th and scoffing at President Biden and Vice-President Harris discussing said violence. Ethan refutes Hasan's denials by showing clips of victim testimony from Sheryl Sandberg's documentary *Screams Before Silence* and displayed the conclusion of a

Overall, based on the totality of information gathered from multiple and independent sources at the different locations, there are reasonable grounds to believe that conflict-related sexual violence occurred at several locations across the Gaza periphery, including in the form of rape and gang rape, during the 7 October 2023 attacks. Credible circumstantial information which may be indicative of some forms of sexual violence, including genital mutilation, sexualized torture, or cruel, inhuman and degrading treatment, was also gathered.

Ethan concludes the section by addressing the heart of the matter. Hasan exacerbates the Israeli-Palestinian conflict by denying the suffering of Israeli victims to hold up Hamas as unimpeachable. As Ethan poignantly states:

This conflict will never end until people realize that Palestinian liberation and Israeli security are not mutually exclusive. You need both. And it can be done, but not while people like Hasan lie, propagandize and incite hate. It's people like him, ironically, that prolong the conflict indefinitely. There's no space for conversation. There is no space for rational thought. There is no space for nuance. My position on Palestine is like five degrees off from where Hasan is. And to him and his community, I'm the devil. I'm a Nazi. It's delusional thinking. And it's destructive to their own cause.

- The Twitch Section (Ex. E 1:11:51-1:40:29): The Twitch Section explores the role Twitch plays in enabling Hasan and his Waiting Room to
- Ethan begins by critiquing Twitch's Chief Executive Officer, Dan Clancy ("Clancy"). He points to Clancy's ineffectiveness as a CEO, namely rolling back his initiative to change revenue splits and the size of sponsor logos on stream – along with laying off significant portions of Twitch staff. Clancy explicitly states he is a fan of Hasan and is aware of his rhetoric. Clancy even sang Hasan "Happy Birthday" and forced Twitch employees to sing along while being filmed. Ethan also discusses the creepiness of Clancy's penchant for e-girls (i.e.,

young, female Twitch streamers whose streams are about highlighting their physical assets) by pointing to two examples of Clancy's stories feature on the Twitch app being completely populated by e-girls.

- ii. Next, Ethan discusses Frogan by showcasing numerous instances of her moral bankruptcy. Despite Frogan claiming to support the Palestinian cause, she condemned the large streamer, Ludwig Ahgren ("Ludwig"), by telling him to keep his \$10,000 donation to Palestine because Ludwig decided not to organize a charity drive for Palestinians (even though he encouraged his viewers to donate).
- iii. Ethan also highlights numerous instances of Frogan's cruelty. In one clip, Frogan wishes soldiers to get PTSD. A few days later after the clip caused tremendous controversy Frogan watched the clip while giggling and justifying her take. Despite veterans receiving protected status under Twitch's Community Guidelines, Twitch did nothing to sanction Frogan for these statements. In another clip, Frogan conducts a subathon (a marathon to acquire paid subscriptions) where she promises to make a cake recreating September 11th if she reaches a certain goal. Once again, Twitch did nothing. Ethan highlights the tweet that Frogan made on the morning of October 7th, while the massacre was still ongoing, that is referenced above. Ethan juxtaposes this tweet with audio of cell phone conversations of victims of October 7th speaking with their parents during their final moments.
- iv. Ethan critiques how Twitch props up Frogan, by refusing to sanction her, giving her awards and featuring her on Twitch's home page. He also mocks Frogan being nominated for a rising star award by her friends twice.
- v. Most notably, Ethan lambasts Twitch for allowing Frogan to host a panel at Twitchcon 2024. The panel involved a racial tier list with "Arab" at the top and "Loves Sabra" at the bottom. While the premise of the tier list is who can say the word "Habibi" (an Arabic term of affection), the term "Loves Sabra"

as a dog whistle for Jews and Israelis for several reasons. First, Sabra is a wellnown Israeli commercial hummus brand that is on the Boycott, Divestment and anctions list. Second, the term "Sabra" means a Jew born in Israel. Third, it falsely serts Israelis misappropriated Arab culture and identity. As evidenced by a clip om Frogan's podcast, the purpose of disseminating this disinformation is to deny e long historical ties of Jews to the Middle East and the Levant. Ethan further ghlights the hypocrisy and bigotry of these false claims by noting Arab culture d cuisine is Israeli culture and cuisine because the majority of Israeli Jews are om Arab countries or direct descendants of Jews from Arab countries. Fourth, than was put in the "Loves Sabra" category with Denims (another member of asan's Waiting Room) "joking" that there should be a lower category for Zionist. fth, Ethan notes that Ben Shapiro ("Shapiro") is put in the thumbnail for the video ith Ethan – despite Shapiro not being put on the list whatsoever. Rather, the only planation is that both Ethan and Shapiro are Jewish and married to women born Israel. Sixth, Ethan notes that the title of the video is *How Arab Are These Twitch* reamers?! – which belies the assertion that the ranking was merely about immus. Ethan concludes this segment to point out the hypocrisy of the panel aiming to be concerned with minorities, while refusing to acknowledge why their er list makes a Jewish man uncomfortable. Finally, Ethan marvels that Twitch proved the panel in the first place.

vi. Ethan critiques a Q&A session Clancy conducted on Twitch shortly after the controversy over the racial tier list erupted. Several chatters for the Q&A session asked Clancy to address the antisemitism on Twitch – all of whom were banned from the chat.

vii. Ethan addresses the yearlong ban Twitch imposed to prevent Israeli users from creating new Twitch accounts. The ban was enacted on October 13, 2023 (*i.e.*, six days after October 7th) – which is also the Global Day of

26

1	Jihad (a day of mass rage, called for by Hamas leader, Khaled Mashal). 40 Despite
2	numerous instances of Israeli Twitch streamers communicating directly with
3	Twitch about the issue and trying to raise awareness online, Twitch either ignored
4	or obfuscated the issue until there was a massive public outcry.
5	viii. Ethan goes on to excoriate Twitch for reinstating three
6	well-known antisemites shortly after the ban was discovered: (1) Al-Haddad; (2)
7	Nicolas 'Nico' Kenn De Balinthazy p/k/a Sneako; and (3) Amrou Fudl p/k/a Mryon
8	Gaines from Fresh and Fit. Once again, Twitch reversed course after a public
9	outcry.
10	ix. Ethan points out how antisemitism and anti-Israel animus
11	appears institutionalized at Twitch. Ethan cites two Twitch employees in leadership
12	positions who made antisemitic and anti-Israel posts online. First is Fadzai
13	Madzingira ("Madzingira") – who was investigated and suspended from her role in
14	the British media regulatory agency, Oxcom. Madzingira was called out in the
15	middle of the United Kingdom's Parliament for her anti-Israel and antisemitic posts
16	shortly after October 7th. After she resigned, Madzingira was hired by Twitch as a
17	Senior Manager in Twitch's Trust & Safety Policy department (i.e., the department
18	responsible for the Community Guidelines). Another example is Bridget
19	Kyeremateng – who is Twitch's Senior Manager for Inclusive Marketing – and has
20	a history of making antisemitic and anti-Israel posts, including shortly after October
21	7th.

g. <u>Conclusion (Ex. E at 1:40:30-1:42:05</u>: Ethan ends *The Nuke* by summarizing the two reasons why he made the video. First, to stop Hasan's infiltration of mainstream media. Second, to hold Twitch accountable for enabling antisemitic and anti-Israel animus on its platform.

- 41. Throughout January 2025, Ethan built up public interest in *The Nuke* by frequently discussing it on *The H3 Show*. The audience of Hasan and his Waiting Room who comprised a large portion of the users on H3Snark anticipated *The Nuke* with religious fervor to defend their proverbial Grand Mufti from criticism. These fanatics, however, did not want to watch the authorized version *The Nuke* because TEI would reap the benefits from the views and resulting advertising revenue.
- 42. The H3Snark Mods knew that there was a huge demand to watch *The Nuke* through unauthorized channels and promoted "group viewing sessions" of

a. On January 30, 2025 (*i.e.*, the day before *The Nuke* was released), Doe No. 3 (*i.e.*, u/jewettornesarah) – as an H3Snark Mod and on behalf of the H3Snark Mods – created a pinned post entitled "MEGATHREAD | Content Nuke – Where to Watch & Discussion" ("First Inducement Post"). As a pinned community post, the First Inducement Post was featured at the very top of the H3Snark page in the "Community highlights" section before any other posts were visible. The H3Snark Mods did this to maximize the visibility of the First Inducement Post. The First Inducement Post featured Frogan as a place "to watch the nuke without showing support for H3" (*i.e.*, TEI) and a link was provided to her stream on Twitch. The First Inducement Post also stated that Frogan "supported" H3Snark "by engaging directly with [the H3Snark Mods] directly." A true and correct PDF printout of the First Inducement Post is attached hereto as Exhibit F.

b. On January 31, 2025 (*i.e.*, the day *The Nuke* was released), the H3Snark Mods created and updated a pinned community post entitled "Ethan Klein's Content Nuke on Hasan Piker | H3 Snark Megathread" (the "Second Inducement Post"). The Second Inducement Post was also a pinned community post that was featured at the very top of the H3Snark page to maximize visibility. The Second Inducement Post featured Frogan as a place "to watch reactions to this video" (*i.e.*, *The Nuke*) and a link was provided to her stream on Twitch. A true and correct PDF printout of the Second Inducement Post is attached hereto as Exhibit G.

- c. At some point after January 31, 2025, the H3Snark Mods deleted the First Inducement Post and Second Inducement Post to conceal their contributory infringement of *The Nuke*.
- 43. The H3Snark Mods were well aware of Frogan's reputation for copyright infringement and lazy reaction videos. As such, the H3Snark Mods knew that it was highly likely Frogan's reaction to *The Nuke* would be an infringing

"broad sense" and the "narrower sense." Warhol, 598 U.S. at 531-532. A use is justified in the "broad sense" if it has a "distinct purpose" that "furthers the goal of copyright, namely, to promote the progress of science and the arts, without diminishing the incentive to create." Id. at 531. A use is justified in the "narrower sense" when it "is reasonably necessary to achieve the user's new purpose." *Id.* Such justification is "particularly relevant to assessing fair use" where "wide dissemination of a secondary work would otherwise run the risk of substitution for the original or licensed derivatives." Id. Again, "the question of justification is one of degree." Id.

- A "critical book review" illustrates how a secondary use must be 48. justified both in the broad and narrow sense. Warhol, 598 U.S. at 528 fn. 4. In the broad sense, the use of the original serves "a different purpose than the book" (i.e., criticism and commentary). Id. In the narrow sense, "each quoted passage within the review likely serves a different purpose (an object of criticism) than it does in the book." *Id.* Critically, this "may not always be so" and "a court must consider each use within the whole to determine whether the copying is fair." *Id*. Consequently, "[e]ven book reviews are not entitled to a presumption of fairness." *Id.*. 598 U.S. at 532 fn. 7.
- 49. There are several indicia of when a use for criticism or commentary is not sufficiently transformative to justify a secondary use.
- When the "commentary has no critical bearing on the substance a. or style of the original composition, the claim to fairness in borrowing from another's work diminishes accordingly (if it does not vanish), and other factors, like the extent of its commerciality, loom larger." Warhol, 598 U.S. at 530-531. Indeed, "a loose topical connection" with the original work is equally problematic. *McGucken*, 42 F.4th at 1159.
- b. When "a defendant copies more than is necessary to facilitate 'comment or criticism.'" *Penguin Random House LLC v. Colting*, 270 F.Supp.3d

736, 751 (S.D.N.Y. 2017). "The law is clear that, to be considered transformative criticism, the aspects of a work that reproduce another's protected expression must be in service of commentary on that work. It is not enough for part of a work to have a transformative purpose." *Id*.

- c. When the "use" of the copyrighted work "is not consistently transformative." *Elvis Presley*, 349 F.3d at 628. For example when "clips are played without much interruption, if any" or "used in excess of [the] benign purpose." *Id.* at 629.
- d. The use of "voice overs," "headlines or captions" or "wholesale copying sprinkled with written commentary," fails to sufficiently transform a copyrighted work under the first fair use factor. *Monge*, 88 F.3d at 1174, 1176; *Elvis Presley*, 349 F.3d at 628-629. Additionally, "[w]hen a copyrighted work is used simply to illustrate what that work already depicts, the infringer adds no further purpose or different character" and "copyright law treats the infringer as freeriding on the inherent value of the original work." *McGucken*, 42 F.4th at 1158.
- e. The first fair use factor "does not" favor "any user who wants to reach different buyers, in different markets, consuming different products." *Warhol*, 598 U.S. at 548 fn. 22.
- 50. As mentioned, the degree to which a secondary use has a different purpose or character, "must be weighed against other considerations, like commercialism." *Warhol*, 598 U.S. at 525. "The undisputed commercial character of [the defendant's] use, though not dispositive, tends to weigh against a finding of fair use." *Id.* at 537.
- 51. Commercialism examines "the degree to which the new user exploits the copyright for commercial gain—as opposed to incidental use as part of a commercial enterprise." *Elvis Presley*, 349 F.3d at 627. Courts consider whether the defendant was "motivated by profits" and "profited from the publication." *Monge*, 688 F.3d at 1176. Further, if the defendant "is not advertising a scholarly critique or

historical analysis, but instead seeks to profit at least in part from the inherent entertainment value" of the original, the use is commercial. *Elvis Presley*, 349 F.3d at 628. Finally, commercialism exists "when a secondary user makes unauthorized use of copyrighted material to capture significant revenues as a direct consequence of copying the original work." *Blanch v. Koons*, 467 F.3d 244, 253 (2d Cir. 2006).

- 52. In *Hosseinzadeh*, the Court found the first fair use factor favored fair use because the Klein video was "quintessential criticism and comment ... on the Hoss video" namely consistent "mockery" of Matt Hoss' "performance ... dialog and plotlines." 276 F.Supp.3d at 40, 45-46. The Klein video was consistently transformative by "intersperse[ing] relatively short segments of the Hoss video with long segments of the Kleins' commentary." *Id.* at 40.
- 53. The second fair use factor (*i.e.*, "the nature of the copyrighted work") "typically has not been terribly significant in the overall fair use balancing." *McGucken*, 42 F.4th at 1161. This factor examines "the extent to which [the original work] is creative and whether it is unpublished." *Id.* Even when a work "document[s] a real event," the work can still be "creative because [it is] the product of many technical and artistic decisions." *Id.* Whether a work is published is defined by whether the author exhausted the "right to control the first public appearance" of the work. *Monge*, 688 F.3d at 1178. The mere fact a work is published "does not weigh in favor of fair use." *McGucken*, 42 F.4th at 1162.
- 54. In *Hosseinzadeh*, the Court found the second fair use factor "weigh[ed] against a finding of fair use" because the Hoss video was "a creative work" despite the work being published. 276 F.Supp.3d at 46.
- 55. The third fair use factor examines "the quantitative amount and qualitative value of the original work used in relation to the justification for that use." *McGucken*, 42 F.4th at 1162. Consequently, the third fair use "factor circles back to the first factor because the extent of permissible copying varies with the purpose and character of the use." *Id*.

- 56. When "the amount used is substantial with respect to the infringing work, it is evidence of the value of the copyrighted work." *Elvis Presley*, 349 F.3d at 630. Indeed, "[c]opying an entire work militates against a finding of fair use." *VHT*, *Inc. v. Zillow Group*, *Inc.*, 918 F.3d 723, 744 (9th Cir. 2019). If, however, "the new user only copies as much as necessary for his or her intended use, this factor will not weigh against the new user." *Elvis Presley*, 349 F.3d at 630.
- 57. In *Hosseinzadeh*, the Court found that the third fair use factor was "neutral" because, while the Klein video copied "a great deal" of the Hoss video, "the 'extent' and 'quality and importance' of the video clips used by [the Kleins] were ... plainly necessary to the commentary and critique." 276 F.Supp.3d at 46.
- 58. The fourth fair use factor is the "undoubtedly the single most important element of fair use." *Harper & Row Publishers, Inc. v. Nation Enterprises*, 471 U.S. 536, 566 (1985). "While the first fair use factor considers whether and to what extent an original work and secondary use have substitutable purposes, the fourth factor focuses on actual or potential market substitution." *Warhol*, 598 U.S. at 536 fn. 12.
- 59. The fourth fair use factor "encompasses both (1) the extent of market harm caused by the particular actions of the alleged infringer, and (2) whether unrestricted and widespread conduct of the sort engaged in by the defendant would result in a substantially adverse impact on the potential market for the original and the market for derivative works." *McGucken*, 42 F.4th at 1163. Even when there is "little direct evidence of actual market harm" caused by the secondary use, "to negate fair use," the plaintiff "need only show that if the challenged use should become widespread, it would adversely affect the *potential* market for the copyrighted work." *Id.* (original emphasis).
- 60. The fourth fair use factor also "must take into account the public benefits the copying will likely produce." *Google LLC v. Oracle America, Inc.*, 593 <u>U.S. 1, 35 (2021)</u>. In other words, does the use "serve copyright's goal of enriching

<sup>&</sup>lt;sup>42</sup> A true and correct copy of a clip from Frogan's January 30, 2025 stream is located on the Flash Drive as Exhibit I.

Frogan's "group viewing session" of *The Nuke* demonstrates that she did not prescreen it to formulate her opinions prior to broadcast. Rather, Frogan timed her "group viewing session" to occur immediately after *The Nuke* was released to capitalize on the great public interest in *The Nuke* and siphon as many viewers as possible away from the original to herself. In other words, her priority was to personally and financially benefit from providing a substitute for the original and any commentary and criticism was a mere afterthought.

On forty separate occasions, Frogan's "group viewing session" c. comprises of watching *The Nuke* (primarily at 1.5 to 1.75 speed) for thirty seconds or more with no commentary whatsoever (or, at most, including an unintelligible word or phrase). In most instances, Frogan is not even paying attention to *The Nuke.* Rather, her head is buried in her phone texting someone else. In the aggregate, these excerpts comprise 72 minutes (or approximately 70%) of The *Nuke.* The poverty of Frogan's commentary – coupled by showing long, unadulterated portions of *The Nuke* – further demonstrates Frogan intended her "group viewing session" to serve as a substitute for the original.

d. In a completely separate instance from those listed above, Frogan provides an "empty chair reaction" – *i.e.*, letting *The Nuke* play while Frogan is completely off-screen. At a certain point, Frogan asks her audience: "Can I use the bathroom please? *I'll leave it [i.e., The Nuke] playing*." Ex. H at 2:15:00-2:15:10. For one minute and fifty-one seconds, Frogan lets *The Nuke* play at 1.5 speed (*i.e.*, a total of two minutes and forty-six seconds of original) while she is off-screen relieving herself. *Id.* at 2:15:11-2:17:02. When she returns, Frogan is practically silent for an additional minute and three seconds (*i.e.*, at total of one minute and thirty-four seconds of *The Nuke*). *Id.* at 2:17:03-2:18:06.

e. Even when Frogan does pause *The Nuke*, those moments frequently comprise of painfully pregnant pauses as Frogan struggles to find something to say. Many of these excruciating moments of silence (or primarily silence) last ten seconds or longer. The consistent "dead air" during Frogan's "group viewing session" further emphasizes that commenting on and critiquing *The* 43 *See e.g.*, Ex. H at 1:29:11-23, 1:29:28-59, 1:33:09-1:33:23, 1:37:32-42 1:40:41-1:41:00, 1:45:04-18, 1:45:52-1:46:16, 1:47:05-25, 1:47:45-1:48:20, 1:49:20-32, 1:50:09-22, 1:51:03-49, 1:59:35-50, 2:00:32-48, 2:20:17-39, 2:32:33-47, 2:34:08-2:34:35, 2:39:30-40, 2:42:29-59, 2:47:09-19, 2:50:20-31, 2:55:31-52, 3:02:48-3:03:06, 3:04:30-50, 3:05:00-11, 3:05:26-47, 3:07:00-10, 3:08:41-53, 3:15:34-48, 3:20:13-30, 3:22:49-3:23:09

*Nuke* was an afterthought to the primary purpose of Frogan's "group viewing session" -i.e., to financially capitalize on the public interest in *The Nuke* by siphoning views away from the original and to herself. If the opposite were true, Frogan would have taken her time to formulate her thoughts and select the portions of *The Nuke* she intended to critique.

- f. Frogan also uses her "group viewing session" to infringe on other copyrighted works. For example, the intro of Frogan's "group viewing session" consists of playing numerous songs in their entirety by the artist Bad Bunny, while a countdown clock is displayed for when her stream will begin. Ex. H at 0:00:00-0:13:19. On another occasion she plays an uninterrupted twenty-nine second excerpt of *Arab Money (Remix)* by the artist Busta Rhymes without any commentary or criticism. *Id.* at 1:50:23-52.
- g. Frogan fails to address the vast majority of points raised in *The Nuke*, which further emphasizes that Frogan's primary purpose was to host a "group viewing session" of *The Nuke* and that any criticism was an afterthought. The points from *The Nuke* that Frogan fails to address are detailed below:
- i. Frogan fails to address the following points raised in the Prologue of *The Nuke*: (1) Hasan's take on the Uyghurs in China; (2) the primary political difference between Ethan and Hasan on the Israeli/Palestinian conflict; (3) Ethan's support of the Palestinian cause; (3) the underlying concern of the Mizrahi Jews (and Israelis in general) with the one-state solution; (4) Hasan's support of terrorism; (5) Ethan's commentary on Hasan and his friends discussing how they radicalize their audience through the "radicalization funnel"; (6) Hasan conceding he is a propogandist; and (7) Hasan's hatred of liberals.
- ii. Frogan fails to address the following points raised in the Twitch Parody Sketch of *The Nuke*: (1) Twitch embracing extremist rhetoric; (2) Twitch rebranding terrorism; and (3) the media bias report demonstrating Hasan is not a reliable source of information.

iii. Frogan fails to address nearly every point raised in the
Houthis Section of <i>The Nuke</i> , namely: (1) Hasan glorifying and disseminating
Houthi propaganda; (2) the Houthis' atrocities and how they contradict leftist
values; (3) the critiques of Hasan indoctrinating Nick (e.g., the Houthi music video
calling the video a "musical," calling the Houthis "musical people," debunking
Hasan's assertions on the hijacking of the <i>Galaxy Leader</i> , the critiques of Hasan's
belief that the Jews will just leave Israel if commerce is disrupted and that the
majority of Israelis are Jews from Arab countries); (4) the entire segment
concerning Al-Haddad; (5) that Hasan deflects criticism by pulling the genocide
card; and (6) Hasan being unable to locate Yemen on the map.

- iv. Frogan fails to address a single substantive point raised in the Hezbollah Section of *The Nuke*, notably: (1) Hasan glorifying and disseminating Hezbollah propaganda; (2) Hezbollah's atrocities and how they contradict leftist values; (3) Hasan praising Nasrallah and Nasrallah's antisemitic statements; and (4) Hasan's apologia of Hezbollah.
- v. Frogan also fails to address a single substantive point raised in the Hamas Section of *The Nuke*, notably: (1) Hasan disseminating and glorifying Hamas propaganda; (2) Hamas' atrocities and how they contradict leftist values; (3) the critique of Hasan's reaction to the hostage release video, the sniper rifle video and Hasan's analysis of the same; (4) the critique of Hasan's denial of sexual violence on October 7th; and (4) the critique that Hasan denies the suffering of Israeli victims to make Hamas unimpeachable.
- h. Frogan's poverty of commentary on *The Nuke* is so blatantly obvious that her chat consistently lambasts her lack of commentary. Notable examples are provided below.
- i. On at least three occasions, Frogan reads chats calling her out for her failure to address the points raised in *The Nuke*, such as:
  - 1. "Don't you have anything to say?" Ex. H at

2:24:50-2:25:31.
2. "Could you make at least one good point?" Ex. H
at 2:26:34-46.
3. "How anyone listens or watches you is insane?!"
Ex. H at 3:08:00-15.
ii. Frogan's response to these critiques effectively concedes
she is incapable of providing substantive commentary by stating:
1. "Like what commentary do you want me to add?
By like, oh, this guys a fucking idiot, he's mentally ill and he's having a mental
breakdown and uploaded it to fucking YouTube" Ex. H at 2:25:16-31.
2. "What do you want me to make a point on?" Ex.
H at 2:26:34-46.
3. Calling people a " <i>Bitch</i> " (Frogan's personal
favorite). Ex. H at 3:08:00-15.
iii. On at least three occasions, Frogan reads chats calling her
out for being a hypocrite, such as:
1. Frogan dragging the crew into the dispute (Ex. H at
3:15:49-3:16:00), despite Frogan previously stating that the crew should be left
alone (id. at 2:19:17-47, 2:20:40-50).
2. Frogan is not a pacifist (Ex. H at 3:31:26-3:34:05),
despite claiming to be a pacifist (id. at 3:30:47-3:31:12).
3. Frogan not being aware of the context of a clip (Ex.
H at 1:23:20-26), despite accusing Ethan of using clips out-of-context (id. at
1:22:09-29).
iv. Finally, on at least two occasions, Frogan reads chats
calling her out for engaging in "damage control" and "running defense." Ex. H at
3:14:11-17, 3:28:25-27.
i. When Frogan does share her thoughts during her "group

3	ii. Ethan doesn't care about Muslims. Ex. H at 1:19:44-53.

10	vi. Ethan is dishonest. Ex. H at 2:35:51-2:36:17.
11	vii. That the clips used in <i>The Nuke</i> lack context – despite

13	viii. That the clips used in <i>The Nuke</i> were pulled from
14	Destiny's subreddit. Ex. H at 1:22:17-29, 1:23:15-19, 2:03:32-37, 2:22:36-45,
15	3:31:13-16. Not only does Frogan fail to substantiate this assertion, she does not
16	explain how this alters the meaning or content of the clips used in <i>The Nuke</i> .
17	k. In the rare instances where Frogan does engage with the content
18	of <i>The Nuke</i> , her comments primarily concern her favorite topic: herself. Most of
19	these observations have little to no critical bearing on the style or substance of <i>The</i>
20	<i>Nuke</i> . The remainder involve making repetitive comments to defend herself –
21	demonstrating Frogan could have used far less of <i>The Nuke</i> to make her critiques
22	and defend herself. Examples include.
23	i. Frogan expressing excitement that she was included in
24	<i>The Nuke</i> . Ex. H at 1:32:59-1:33:08, 1:40:29-32.
25	ii. Indulging in her fantasy that Ethan is obsessed with her

6	iv. Expressing bewilderment at what was wrong with her		
7	comments and posts attacking Ethan. Ex. H at 1:33:24-30, 1:33:54-58, 1:34:06-10.		
8	v. Gloating over her rising star award. Ex. H at 1:45:52-		
9	1:46:16.		
10	vi. Thanking Ethan for using a recent picture of her. Ex. H at		
11	1:46:17-27.		
12	vii. Taking issue with being described as Hasan's "head mod"		
13	despite The Nuke never making that claim. Compare Ex. H at 1:24:10-44 with Id. at		
14	1:24:45-52, 1:46:52-56.		
15	viii. During the segment of <i>The Nuke</i> critiquing Frogan for her		
16	comments towards Ludwig, Frogan repeats the same explanation and apology		
17	throughout the segment. Ex. H at 2:45:17-2:49:27.		
18	ix. During the segment of <i>The Nuke</i> critiquing Frogan for her		
19	comment that she wishes veterans get PTSD, Frogan: (1) repeats her assertion that		
20	the clip was taken out of context (but when the context is show $-i.e.$ , that her		
21	comment does not apply to veterans who confess their sins – it does not ameliorate		
22	the criticism); (2) repeatedly stating she is embarrassed by what she said, despite		
23	continuing to laugh over her statements about veterans; and (3) falsely stating she		
24	was banned for thirty days due to her statements – when the actual reason for her		
25	ban was the racial tier list she hosted at TwitchCon. <sup>45</sup> Ex. H at 2:49:27-2:52:35.		
26	<sup>45</sup> We know for certain that the ban was for the TwitchCon panel and not Frogan's		
27	statements about veterans because all the panelists received the same thirty day ban		
28	on the same day. Rich Stanton, PC Gamer "Under pressure from pro-Israel group, Twitch bans several Arab streamers over a month-old TwitchCon panel" (October, (continued).

1	x. During the segment of <i>The Nuke</i> critiquing Frogan's X			
2	post on October 7th, Frogan repeats her paltry and unpersuasive attempt to excuse			
3	her post by focusing solely on the time it was made (i.e. the morning of October 7th			
4	on the east coast – which was over ten hours after the attacks began). <sup>46</sup> Ex. H at			
5	2:52:52-2:55:30. Frogan also strategically omits that she liked several posts on X			
6	praising Hamas on October 7th. See e.g., ¶ 19(b), supra.			
7	xi. During the segment of <i>The Nuke</i> critiquing Frogan's panel			
8	at TwitchCon 2024 (Ex. H at 3:00:33-3:17:23), Frogan makes such a transparent			
9	attempt at damage control that her chat calls her out for it. <i>Id.</i> at 3:14:11-17.			
10	Frogan's damage control consists of:			
11	1. Making brief statements that are minimally related			
12	or completely unrelated to <i>The Nuke</i> (Ex. H at 3:00:33-3:31:48);			
13	2. Repeatedly denying she knew that the word			
14	"Sabra" means a Jew born in Israel – despite claiming to be an expert in the Middle			
15	East (Ex. H at 3:01:49-58, 3:09:19-22, 3:14:45-3:15:02);			
16	3. Providing no substantive response to being called			
17	antisemitic (Ex. H at 3:02:36-3:03:17, 3:04:03-3:05:15);			
18	4. Shifting the focus from the discussion on Jews			
19	from Arab countries to her family's expulsion during the 1948 War (Ex. H at			
20	3:03:28-3:04:03);			
21	5. Repeatedly attempting (albeit unsuccessfully) to			
22	minimize Denims' comment that Ethan should be put into a new category called			
23	"Zionist" (Ex. H. at 3:10:40-41, 3:10:59-3:11:19, 3:15:15-16, 3:16:26-27) and that

- 63. As to the second fair use factor, the fact *The Nuke* was released a minute prior to Frogan's "group viewing session" does not weigh in her favor. Further, while containing numerous documentary and factual elements, *The Nuke* contains numerous creative elements, which weigh against fair use.
- 64. As to the third fair use factor, this factor weighs heavily against fair use. It is readily apparent Frogan's use was excessive for any potential criticism of *The Nuke* particularly in light of minimal level of commentary and highly commercial nature of Frogan's "group viewing session." This is particularly true when Frogan repeatedly provides brief statements (many of which have little to not critical bearing on *The Nuke*) after showing long unadulterated segments of *The Nuke*.
- 65. The fourth (and most important) fair use factor weighs the most heavily against fair use. It is readily apparent that Frogan intended (and succeeded)
